

Occidental Dissent – Brad Griffin a.k.a. Hunter Wallace (refers to himself as this on his website)

- ❖ Griffin is a member of League of the South. Occidental Dissent is not a group that has a following; it's Griffin's personal website where he shares his views and those of League of the South.
- ❖ He's also affiliated with Vanguard America and Identity Evropa.
- ❖ Griffin resides in Midway, Alabama. His phone number is (334) 695-2197.
- ❖ Griffin advised that there are anywhere from 40 to 60 people attending from League of the South.
- ❖ They are not planning on confronting any groups unless they are directly threatened. Jason Kessler asked them not bring weapons so they do not plan on bringing any with them.
- ❖ I am in contact with Griffin; we spoke on 7/19/17. I have his phone number and he has mine. I asked him to call me directly if any new information came up that he could share with me.
- ❖ They will be in the area for the weekend, however, they will not be staying or pre-rallying within the city limits. They plan on going to another location close by for a BBQ after the rally, but he did not advise where.
